

AMERICAN COACH ASSOCIATION 2021 NATIONAL RALLY

COLORADO ROCKY MOUNTAIN HIGH JUNE 18 - 22 2021

RIVER RUN RV RESORT

1051 SUMMIT TRAIL

GRANBY CO 80446

Hey all you happy campers!

Hope you are all well! I wanted to take a minute to give you some updates on our planning of the 2021 National Rally.

First thing I want to clear up is the process for making arrangements for **early arrivals and late departures**. First off, we have updated the rally registration form on the www.myamericancoach.com website with this info. I am also attaching a copy to this message.

If you want to come in early or stay after the rally you will need to contact Rachel Thackston the event coordinator directly! 970-557-0625 rthackston@suncommunities.com We will be working with the resort to minimize having to move spaces for the rally but at this point it cannot be guaranteed!

Do not call the front desk directly as they will not be able to help you.

Registration cut off date:the resort has set the cut off date to register for the rally on April 18th. So, we would have to receive your registration prior to that date to insure we can get you in!

A sneak peek on the agenda and theme for the rally:

We are planning on this being an interactive rally!

We are planning a different theme night for each evening, think "Western night", "Fifties/Sixties night", "Your favorite sport team night" final details to follow.

For now, plan on packing your favorite boots, hats and blue suede shoes, team jerseys and cap.

Plan to dress up and be part of the party if you're up to it!

We are also planning some interactive day time activities to keep the boredom to a minimum.

Besides the regular Golf outing, Ladies luncheon, we are planning an "Old-Limp-ics" game day.

We are hoping to have a great turn out for this rally so please register early! This will help us keep the spaces we have reserved and help plan the meals and entertainment!

Bob Clapper, Rally chair, Western Regional Chapter
